Re: National Association of Broadcasters PAC, C00009985

Dear Ms. Seay:

The September 20 Monthly through the March 20 Monthly Reports have been amended to reflect the following corrections:

1. September 20 Monthly Report: A \$500 receipt in August was originally reported as being received from Matthew Mills. However, James Bryant's credit card was charged this amount instead. Mr. Bryant had thus been charged \$1,000 instead of \$500. The September 20 Monthly Report has been amended to show \$1,000 total being received from Mr. Bryant and no receipts from Mr. Mills.
2. October 20 Monthly Report: The disbursement to American Express in September was incorrectly reported as \$100.45 instead of \$107.45. This has been corrected (see issue # 6).
3. October 20 Monthly Report: The refund to Mr. Bryant (see issue #1) is now shown as a negative receipt of -\$500 in September, when the refund was issued.
4. October 20 Monthly Report: The disbursement to American Express for \$403.50, originally reported in September, has been deleted. This was not a fee, but rather the \$500 refund to Mr. Bryant, combined with the American Express receipt of \$100 and a fee of \$3.50, which is part of the total American Express fees for the month.
5. February 20 Monthly Report: The \$125 disbursement to American Express was incorrectly reported as a fee. Upon further investigation, this was actually a chargeback (refund) to Kenneth DeBritto, who had contributed \$125 in November 2007. It is now deleted as a disbursement and added as a negative receipt.
6. March 20 Monthly Report: The American Express fee of \$3.50 has been deleted. This was a fee that took place in September (see issue #2). Both reports reflect this change.
